NORDISK KALKFORUM

Turku Castle 25. – 26.8.2023 / Excursion day 27.8.2023

Nordisk Kalkforum seminar is finally coming to Finland!

The focus of the seminar is lime - the key raw material of traditional stone construction. The seminar provides a platform for sharing information and promoting discussion. Nordisk Kalkforum is a Nordic network of professionals working in the restoration field, especially with lime-based materials. The seminar is aimed at renovation and restoration professionals, both designers, researchers, authorities, supervisors, and builders alike. The main language of the seminar is English.

The seminar will be held at **Turku Castle** on **25th – 26th August 2023**. On **Sunday August 27th** there is an opportunity to participate in an excursion from Turku to Helsinki. Visiting locations are Louhisaari Manor and Hvitträsk, a unique national romantic stone structured villa.

To participate in the seminar, an entrance fee must be paid. For Kalkforum members the Early Bird price is 230 euros and for non-members 280 euros. Early-Bird prices are valid until **June 31st**. The last date for registration is **15th August**. The number of participants is limited.
